Dear Madams(s)/Sir,

With reference to your application, we are pleased to inform you that the Certification Marks License has been granted to you to use the Standard Mark in respect of the followings:

Product: **High Strength Structural Bolts**

Grade/Class/Type/Variety
1. Property Class -8.8, Size Range - M16 to M36, Finish - Hot Dip Galvanized and Dull Black.
2. Property Class - 10.9, Size Range - M16 to M36, Finish - Dull Black.

1. The number assigned to this Licence is CM/L-9700307220 IS 3757:1985. which has been made operative from 2026-04-23 and is valid up to 2031-04-22 This licence is granted for 5 years with applicable fee deposition of one year only. Requisite fee is required to be submitted annually with details as given at para 6, 7 and 8 of this letter. The licence number shall invariably be referred to in your future correspondence.

2. The licence is granted on the explicit condition that you should mark entire production under scope of licence with Standard Mark and maintain conformity to the relevant Indian Standards. In addition, you should display the BIS product certification licence held by you prominently at your premises and also mention the BIS product certification licence held by you in your commercial advertisements.

3. According to Sub-Paragraph (1) & (3) of Paragraph 5 of Scheme-I of Schedule-II under Bureau of Indian Standards (Conformity Assessment) Regulations, 2018, the annual licence fee of Rs.1000.00 and the marking fee as notified is payable by you with effect from 2026-04-23 for the period of validity of the licence in advance.

4. Minimum Marking fee stipulated under Scheme-I of BIS (Conformity Assessment) Regulations, 2018 is payable by you regardless of the fact whether you actually mark your product or not with the Standard Mark. Our Receipt No. AA97PC2025002920 dated 2026-03-30 for the licence fee and the minimum marking fee for the first operative period is already issued.

5. This advance minimum marking fee will be carried over to the next year on every occasion. The actual marking fee calculated on the unit rate on the production marked or the minimum marking fee, whichever is higher, shall be payable by you annually before completion of one year period. Production statement is required to be furnished by you for calculation of actual marking fee.

6. With a view to streamlining the reporting of quantity marked, calculation and collection of marking fee on the unit rate basis, fees will be calculated on the production marked during the first nine months of operation of the licence. After first year, production marked during twelve months comprising the last three months of the previous operative year and the first nine months of the current operative year will be taken for calculation of actual marking fees. In case the licence gets cancelled or expires, the entire production marked till the cancellation or expiry date shall be taken into account for calculating the marking fee payable.

7. If the production statement and/or annual fees is not received within timelines (i.e. before completion of the one year period), then the licence shall stand suspended or deferred for 90 days duration. During the period of these 90 days, the requisite information with fee accompanied with late fee of 5,000 can be submitted to make the licence operative. Otherwise, the licence shall stand cancelled or expired.

8. The Quality Assurance Plan (QAP) submitted by you and agreed by BIS or the Scheme of Inspection and Testing as specified by BIS will have to be implemented by your organisation strictly and completely. This supervision of the operation of the Scheme shall be done by a person responsible for the quality control function in your organisation. Kindly inform us the name and designation of the person who will be held responsible for the operation and maintenance of the Scheme. Any future change in this respect will have to be communicated by you to us as and when these take place.

9. We are enclosing a sheet giving the preferred dimensions of the Standard Mark to enable you to prepare the designs of the Standard Mark for marking the above product.

10. On commencement of marking of your product for which you are licensed, you may advertise your product with Standard Mark in various media only during the validity of your licence. The use of Standard Mark on letterheads and publicity literature will be permitted only on receipt of your assurance that in the event of cancellation or lapsing of your licence, the Standard Mark on your letterheads, publicity literatures etc. will be destroyed/obliterated.

11. This licence is granted for your manufacturing premises situated at: JASPAL BANGAR ROAD, NEAR SATYAM DHARAM KANDA, INDUSTRIAL AREA C, DHANDARI KALAN, LUDHIANA-141010, PUNJAB. Privileges under the licence shall not be exercised by any other firm company/factory etc. This licence is not transferable in the event of shifting the manufacturing and testing equipment from the licensed premises to some other place, use of Standard Mark shall be stopped till the new premises are inspected and found to be satisfactory by BIS in respect of manufacturing and testing facilities available there and the address of the new premises is endorsed in the licence.

12.You are also advised to make yourself and other employees in your organisation aware about the provisions of the BIS Act, 2016 and Rules and Regulations framed thereunder especially the implications in case of any intentional or unintentional non-adherence.

13. It may be noted that this licence is granted based on undertaking that in the event of non-conformity of the sample in long duration test(s) or your inability to submit the test report immediately but not later than 30 days (one month) from the date of test report confirmed by the laboratory, the licence shall be processed for cancellation. (Applicable for GoL with undertaking for long duration test)

14. It may be noted that this licence is granted under option 2 which is subject to the condition that if samples drawn on 15-04-2026 by BIS during the verification visit before grant of licence, fail to conform to the requirements of relevant Indian Standard (in any requirement), the licence shall be put under suspension, and in case fresh sample after corrective action is not offered within one month or fresh sample fails to conform to the requirement of relevant Indian Standard, in any requirement, the licence shall be processed for cancellation.

Thanking You,

Yours faithfully,
